

Information issued by the Tyrolean Medical Association

For patients from the EU, EEA and Switzerland

EHIC - European health insurance card

Dear patient,

Please be aware that as a holiday-maker you can only be treated as an insurance scheme patient by presenting a full claim entitlement (EHIC) and valid photo identification.

With the properly completed proof of insurance, we can only cover those insurance scheme benefits, which are medically necessary during your stay and cannot be postponed.

For administrative reasons, we cannot accept a delayed presentation of the claim entitlement. If the EHIC is not presented, then you will be treated as a private patient.
